StoneCold is right, I mean what's the use in banning fl00d? I mean knowing him he WILL pull a lawsuit, so good luck in that cause you will lose Crimson.

I honoestly don't care if I'm banned, I'm just here to keep up with possible cheaters/new clans/these kind of authority debates.. As you see I don't have many posts

fl00d3d is a good man... Creating new accounts? Why would he do that? It just shows that he's a wussie if he does that, and I dought he will make a new account...

btw crimson, YOU led me here, not fl00d, so can't do much about that can you Imfao

Jonty, you have a gut bro And as you said, I think the forums could be better, and some of the mods and admins could be changed. Colors and layout should be changed to while I'm at it lol...

But yeah

Ralphz: You just dont know him

warranto: Uh, who are you?

Well I'm done

PS: RG is going down the tube thanks to that new patch, and Renegade is dieing fast, yes Stone I know you love this game, but it's dieing, and these forums are just filled wit a bunch of drama.  
Good day
