I used to have quite a high opinion of you too, but that's gone down the drain somewhat over the last few days.

I just can't believe you will not entertain the idea that perhaps fl00d3d has his own agenda and he is playing you like a puppet. Don't be a pawn in his stupid little game. See him for what he really is.

I don't understand this reference. :S

He is the one dude out of this whole forum, past and present I really would like to see go (including AirCraftKiller).

Reboob, away back to your old hole and crawl under a stone. You are far too good at trying to get players kicked. Don't be the old bastard that we both know. Let the admin deal with the issue without misguided suggestions.

Puddle, my suggestions are not misguided. I don't know what makes you say that. I have borne witness to enough of fl00d3d's crap to make an educated suggestion based on experience and from what I have seen.

Do not try and make me look like some ban happy ass-clown. If you care to look at fl00d3d's posts you can see he has had a clear agenda from the start. His main point through out all of this has been his "I look out for the little guy" attitude. Now he reckons he will release the RG source code, sounds like someone who cares about the little people eh?

Anyone who can't see his agenda and realise that he is trying to play everyone for fools needs to open there mind to the thought that maybe fl00d3d is just a jealous little child in a mans body, if they can't see that then personally I would welcome the idea of him leaving here and taking them with him.

And i'm the mis-guided one for wanting rid of him?

As a side note, I couldn't help but notice you when and got yourself into a load more drama at UNrules. Seems to follow you everywhere Puddle. Has it never occurred to you that it might not be everyone else with the problem?

If you would like to pick up from where we left off then that's fine. I have ignored you on these forums, as well as you ignoring me, the situation has been amicable. However if you feel that your e-penis has grown back to a suitable length after our last encounter then so be it.
