He was kicked out of our clanwars.cc clan for a piss poor attitude, and for cheating, using irc as an advantage during clanwars.cc matches. my 1 vs 1 with you stone is kind of on the back burner due to the fact you have already been busted in a public server for RGH, correct me if im wrong, that is why your banned from renstations correct?

Yes we know your excuse was that you have the same serial as someother guys or something, but isnt that kind of like my brother was playing on my computer and cheated, it wasnt me excuse?
