trooprm02 wrote on Mon, 11 June 2007 18:53whens its something as blanetly stupid (no other way to describe it) as "how is lan exploit cheating" I refuse too, when I read that I also failed to belive you know what it is/have ever played renegade

So I log onto my server with the name trooprm02 that automatically classes me as a cheater?
Yeah ok...?

I can't play Renegade? 1) I'm still waiting for this video that you have of me CHEATING (Been like 2months now) 2) I'm still waiting for my 1v1 that you dodged. I can link you back to that thread aswell if you'd like.
