Viking wrote on Tue, 12 June 2007 11:39I saw one before that said something about screwing my dog skip or something I cant remember it was funny.

It's was like:

Jerry Maguire (Tom Cruise)

Screwed (Dave Chappelle)

My dog Skip (No one watched it.)

It was just as fake as this one though, Jerry Maguire was 1996 and Screwed was 2000. My dog skip, even IMDB doesn't care.
