Jecht wrote on Tue, 12 June 2007 18:08You're lucky Crimson is this lenient on you people. If I was the admin of these forums you'd be banned. Know why? Because I wouldn't like you and I could without very much effort.

Oh, the bliss that comes with such ignorance. You must be one happy mother fucker, because you sure are fucking stupid. If you dare think I'm scared of Crimson or worship her, it'd be wise for you to see the dissent I've had towards the forums' administration over the past few years. The reason why I'm not banned? It's because Crimson doesn't ban for being against policy, and I also am not an unintelligible idiot spouting off at the mouth because I have this misunderstanding that I don't have to obey rules set for me by those who control the forums.
