Ur doing it all wrong!

Just do this:

Open the backpack preset. Then go into preset and set it to: AlwaysAllowGrant.

Then go into the scripts tab and add the script: KAK_Give_Powerup_On_Pickup. Add the weapon preset you like and for more weapons just add the script multiple times. Then click 'OK' and add it to the weapon crate (CnC_Crate_Weapon). Save mod or map and try it.
