i will ofically vouche for stone using *cheat name removed*because of the 1 vs 1 we player, it was obvious, as well as the evidience from renstastion. Considering *cheat name removed*randomizser your serial hash, its pretty much impossible for a player running *cheat name removed*adn a player not *cheat name removed*to have the same serial. So the fact thier both banned from the same server for *cheat name removed*its not dispotuable the fact that stonecold was running *cheat name removed*as well as running the *cheat name removed*inour 1 vs 1 considering his story cahged about three times.
