hey troppm02, ask stone cold why he chaged his story about 4 times on ts on the map Volcano, about how he didnt kno I was in ref tehn he said he seen me go in ref, tehn he seen mego out of ref and he seen me go for his art and he een me die courtesy of a heashot on his arty, but yet he seen me go in his ref while he was past his ref past his power, according to him his ref only had 4 bars left hen my both my times went off, so how wouldnt that kil his ref?

something just doesnt add up with this kid, he was banned from renstations for RGH, e claimed same serial, but *cheat name removed*randomizes your seiral according to admin at renstations, correct me if im wrong, so basically this moron accuses me of cheating yet gets busted himself.
