hi
i just want to tell the people that are making mods and models that how do they make models i want to make models but i get stuck on the things, it is really interesting thing to make models but it is hard to make them
can u help me
i want to make a car and it is not supposed to be really good just want to try ,i only know how to make maps in renx but i cant make units
if u have some videos or tutorials of how to make models please send it here
PLEASE HELP ME
i only use renx
i need tutorials for renx
sorry for that it looks like that i'm so greedy but i really want to make models if i could make 1 i will post it here so every one could have it and enjoy it

Thank You Very Much For Reading
