Go to C:\Westwood\RenegadeFDS\Server\ and find Renegadeserver.exe

Right click it, and click "Make Shortcut"

After that, Right click the shortcut and in tab "Shortcut" You should see a line called "Target: "C:\
bla poopoo\lol\d00d"

Add +milti to the end of the "C:\bla" thing, Click Apply and okay and done.

Here's an example; "C:\Westwood\RenegadeFDS\Server\RenegadeServer.exe" +multi
