sadukar09 wrote on Mon, 18 June 2007 19:43still shouldnt cost 15000

bse=400

nuke=1000

LCG=450

sniper=500

8 timed c4s=maybe 4 hotties?=1400

4 remotes=2 hotties=700

grand total=4450

Also gotta add in the fact at how dangerous that unit is.

SBH with nuke and ramjet is auto 4000 on some servers.

An extra 10'000 is perfect IMO.
