Nope, you forgot lot's of "else". It's hard to find the time to do this at work. I have to stay late tonight at work and i'm visiting my parents tonight too. If I have some time then I will try to post what it should look like and add the vehichle code too for stealth effect and also the !buymed etc etc code. But it might have to wait until tomorow night.

There are however at least ten other people who visit these forums that could amend your code, I often wonder why the do not
