Romaner wrote on Sat, 23 June 2007 23:28iwas on mp sniping server a few months ago and we were all complaining about lag and kept saying lag in general chat, since then it tells you your ping. some idiot joined and as soon as he saw us doing this he goes no lag here.... and types lag. and the server shows his ping as 0.

too bad there were no mods there, he eventually made that server empty that day

wow....your are by far the smartest player that has ever played....ban the haxer...
