<http://www.anagrammer.com> is best for chicktionary, unless you have dual screen and then I htink this one's better <http://www.anagramssolved.com/>

I actually mean a bot, like one that does it for you, i saw a video of one guys attempt at it, but it was pretty shit tbh. Kinda like a smart click bot. I though there would be loads since there are allot fo anti microsoft people out there and this promotion is so huge...

But thankyou
