its says

Unable to split node! objcount = 3. (-102.18,499.67,-186.63)

Unable to split node! objcount = 3. (-132.00,487.59,-189.74)

Unable to split node! objcount = 3. (-102.18,469.66,-186.64)

when i try to make l08_cave_lm.w3d in le
