Once again, this has anything to do with me?

So? I cheated, who cares anymore. It's in the past. Seems to me the only thing you have against me is the fact that I cheated. Other then that, troop, what can you say?

Before hand, you had nothing, whenever I posted against you, you shut the hell up like a good little puppy, sat in the corner, and cried yourself to sleep.

I dont see how pointing out that your a complete asshole to everyone here makes me pathetic.
