Some sort of retarded love letter just dropped into my pm box. I've been trying to not get actively involved into this troopr02 stupidity, since I don't give a fuck about his little opinion, but this deserves some attention.

Not a single word makes any sense. This must be the product of an artist!

troopr02 wrote on Sat, 30 June 2007 16:55 Your a fucking disgrace to BI, you do NOTHING but make them looks like retards, I would advise then to ban your ass but we both know what they would say....

I dont give a shit what you can "code", if you cant even play the fucking game better than people like bbf or ekt whats the point? Exactly.

Anyday bitch, 1vs1, aow, snipe, any map, I dont give a fuck. lamaboy8me@hotmail.com, <---add me and ill setup a game, please dont dodge like the rest.

Use your biatch, so you dont cry "CHEATS!!!!!" when I fucking rape your ass ingame,

Good day

This new signature has proven itself to be correct.
