joel-nl wrote on Mon, 02 July 2007 02:30does it have something to do with local ips?
im using 192.168.2.165 for my lan server and users are from the same pool (192.165.2.xxx)
Maybe a stupid question but why would you want to ban players that are in your house? Just go
slap them on their head...
