They will just sneak back into english, - also, i wouldnt really call that a punishment would you?

and yes spoony, i LOVE that idea! =D another thing would be to line them all up, and dig bullets into pigs blood and then shoot them. As Terrorists believe that if they die while in contact with pigs blood they are sent to hell.

=O those bastard with no balls (terrorists) must die by pig blood!
send them to hell! (honestly it might make those terrorists into little kids) hehe id love to see the terrorists try and bomb the shit out of satan
