Just to make one thing clear. A NEWB is someone who is new to the game, a noob, or n00b is someone who a player who may or may not be new to Renegade, but insists on doing brainless things, especially things that hinder the team. Such examples are using the "cool blue gun" to "shoot" an enemy or his vehicle, or placing proximity C4 in the middle of the field. Those who are defined by this site as "n00bs" will also refuse to listen to words of wisdom or, even worse, berate those who try to help. (taken from n00bstories.com)

Or in your case someone who, with overwhelming evidence of ignorance and idiocy continues to do the same thing, despite being told when to stop, or that what they are doing is wrong. (ok, not an exact definition, but I think it's close enough. If someone has a better one, feel free to improve upon or correct mine)
