Wanna know about what not to do?

Search the forums for C&C_Grasslands...a map made by me last year that is crap....go on it and you'll see why...

edit: hang tight while i search my posting history.

edit again: <http://www.renegadeforums.com/index.php?t=getfile&id=1614&rid=21327>

remember, this is what not to do
