ETKkillr wrote on Wed, 04 July 2007 02:42go ahead love bush for all i care

Most people hate him for the smallest things, look at rosie, she bash bush for not sending libby to jail, yet all the previous guys that ab00sed power that werent sent to jail....why no one bash him why no rosie bash him? I'm not 100% for bush, but I respect him as my president, I do not hate him.
