Great troop can't seem to figure IPs are associated with mIRC   And are you really retarded? I switch to Bell means...*GASP AT BREAKING TROOPS RETARDATION BUBBLE!* My posts/data/ comes from Bell's lines   Yours comes from Rogers it's easy as that. If you do not get me...I-U-S-E-B-E-L-L. Y-O-U-U-S-E-R-O-G-E-R-S. D-I-F-F-E-R-E-N-T-I-S-P-S.
EDIT:^^Quote:^^coming from a kid who lives in his parents basement, doesnt even play this game, nor was good at any point, but still hangs around here because he is a mod? Again, nice try, your opinion is worth -1 Tell Me
Great! Which kid DOESN'T live with his parents? You want them to live on the fucking street? He made more sense in that single post than you in your entire life. Which means YOU cannot get modship besides your little shitty 16 player server. (Which is a waste of money since *GASP* no one goes there!
Your last sentence made no sense so I'd just not respond to your pure stupidity.
