Im suprised you can afford to power your computer long enough to post that essay of yours. Suggestion: Save the 76 cents you used just now to pay for your next meal? And I dont fell like harrasing the less fortunate so ill leave it at that.

It always makes me laugh when someone who is absolutely 100% DEPENDENT ON THEIR PARENTS and wouldn't last a week if they disappeared pokes fun at someone else's work/money situation
