The nick was not stolen, and Crimson, the serial is registered to Cat998.

I checked the XWIS listing and the 0u nick was not in use.. plus i checked my backlog (which after just checking it broken on XWIS) and it hadnt been used in 2 months, altho that figure was wrong

So the nick got given out, i might start accually recording who has what nickname rather than just checking the XWIS listing. Contact me on MSN about the nick and i will issue you a higher nick to make up for the mistake.
