trooprm02 wrote on Sun, 08 July 2007 18:50Update:

after countless MSN convo's, and several blocks, and days of talking him into it, he has finally agreed to a game. If he doesn't back out ill be surprised. He said not tonight, but some other date, to give him enough time to get a renguard bypass working on his computer im sure.

Anyway, soon available on youtube

If you lose - Will it still be on Younoob, Eh.. Sorry. I mean youtube?
