ArUsH4nllCome Play Warcraft 3 and The Frozen Throne, at least they actually ban cheaters and are not evil

just thought I'd point that out. You're right...I cant tell you how many times I've gotten away with using my aimbot and wallhack. :rolleyes:

if you dont play renegade...then why the hell are you on the boards? what the hell is wrong with you idiots that come here to badmouth a game?
