Hex wrote on Tue, 10 July 2007 09:00 [~LGdirk]: yep its true he turned on *cheat name removed*but he dont use it against gamerz0ne he try to find a cheater he dont play with rgh

And we so beleave that

Ofcourse he wasn't on purposely trying to have an advantage. He just needed to restart renegade while he had a community match to get *caught* to work, but that is only a a small detail. My bet is that he had it running all along.

yes, I know I double posted, but that's thanks to renforums/my internetz being gay
