1 word for Hex:
dispickable,

Or is this a bad attitude, Hex?

@Evilwhitedragon:
please get your facts straight before you hang someone.
Erik left game volcano to put it on.

premeditation Hex, bullshit, intent bullshit, Hex

Maybe you can intimidate other people Hex,
forget it not me.

O sorry again "bad attitude"
your the moron, not me Hex.

And you can say that next time to me in person and not to a friend off mine,
o and i am sorry to wast your precious time,
no i lie, i am not.

I really hope you realize you made pretty much absolutley no sense in that post, and you do very much sound like a rambling moron. so please STFU.

If you don't know what i am talking about, then please shut up,
and leave this to more intelligent people.
You're a god damn idiot. Yes, your native tongue isn't English, I'll give you that much, but you're not helping yourself by being a moron.
