They suck? That makes your joke of a clan look even funnier, why recruit them then? Exactly. Then what happened when I came back and asked for another game? Oh? you banned me for asking because you YOU knew it would be more rape? Case closed, again I point to the title of this thread

Watereeee is a pro sniper. Face him in that. I didn't recruit him for AOW.
Zamboni is a friend of Vovatoro who is in DI. They are tight friends. But now Zam is in BBF.
That's why I recruited them.

I banned you 'cause all you did was talk the whole game and dodge everytime our pro players ask you for game. I ask you personally for clanwars even 1 v 1 yet you dodge. n downs

Incoming dodge now, don't ignore Surth's post above this.

What happen to the 1 v 1 match against Spooky? What about you kicking him from game cos you didn't know who he was and you thought he cheated. n downs*2

How bout entering the next cw.cc 1 v 1 tournament? You'll get owned in the first 5 minutes. You might even lose by basekill.

You act like your the big shit in Renegade. You're just a straight up dumbass looking for attention over a 5 year old game and hoping to get e-cred off these forums. FPS Doug has more common sense than you.

I don't know why you bother playing Renegade. You suck, and you call other people a joke. Look at your forums, it's practically only you posting.

You claim you made the Crazy 8 Renegade mod. That's false. Not that it matters, it's nothing special. It's hard to believe you made it anyways considering you suggest and ask the most dumbest questions about the SSAOW and SSGM mods and yet you come up with this.

You sit in a game recording (FRAPS) everything you do. Then you put together a video combined with what other people made and slap TRPM on it. How bored are you? How far do you go before you prove a point that no one gives a damn about?

Do yourself a favor and stop living in the basement living off your mother's lunchables and gogurt.
