The screenshot shows the Honda website's product page for the 2007 Civic Coupe. At the top, there is a navigation bar with the Honda logo, a "Select a Model" dropdown menu, and buttons for "Find a Dealer", "Build Your Honda", and "Request a Quote". The main content area features a large image of the rear of a silver Civic Coupe with the word "CIVIC" in large letters above it. Below the image, the text "2007 CIVIC COUPE" is displayed. To the left of the main image is a vertical navigation menu with sections: Overview, Options & Pricing, Gallery (with sub-links for Photos, 360° Views, Colors, and Videos & Commercials), Features (with sub-links for Exterior, Interior, Performance, Safety, Environment, and Audio), Specifications, Accessories, and Warranty. Below the menu is a "Shopping Tools" section with links for "Build Your Civic Coupe", "Request a Quote", "Compare Vehicles", "Estimate Payments", "Current Offers", and "Financing". A "ZIP Code" input field and a "FIND A DEALER" button are also present. To the right of the main image, the text "Break out of your rut with the sporty, technologically-a" is visible. Below this text is a smaller image of the car from a front-three-quarter view, followed by the heading "Performance and Handling" and a list of features: 140-hp, 1.8-Liter i-VTEC® Engine, Drive-by-Wire™ Throttle System, Limited-slip differential, and 16-inch alloy wheels.
