Hey Guys

As many of you may noticed... the WOL Ladder are working again

and 1 year ago or so... i was having once a Link to this external Site of EA.....

So my Question...

I´m searching the Link

If anybody can help me ?

dunno if it was direct from EA that link or not...

but whats with this Site, if your Ingame... it says everytime...

Site cannot be loaded... but this Site should somewhere be or that Link...

Could some1 help me plz. ?

thanks,

Andy aka WNxServer
