Nightma12 wrote on Fri, 20 July 2007 12:52well, i personally dont think the pay-to-join think was gonna work either lol.

But we are hosting a smaller 2v2 tounament at the moment and giving out recs as prizes but people were asking about cash prizes, lol

The whole point in taking in the cash was to be able to give out prizes
Then why keep atleast 10% yourself, if it is only about the cash prizes.
