Nice idea though, be cool to see the end result.

You are absolutely right, Iron. We live in a different time now...unfortunately.

A couple of months ago in the USA, 3 or 4 guys (I think) got arrested. According to CNN, they were reported by neighbors for "running around in Ninja clothes." I dunno what happened to that case but tells what type of era we are living in.

But there is no reason to run into the driveway or street with the costume to show off to the neighbors. Also, with a little bit of discretion, we can be able to enjoy our HARMLESS creations and works of art in the privacy of our homes.
