steps wrote on Sun, 29 July 2007 20:40 From the screenshots you have provided, the map looks great. you should go all the way and add, repair bays, helipads and the shrine of Nod and Adv. Comm. Centre.

Add recons and SSM launchers for Nod, A-10 airstrike beacons for GDI and if there was water gunboats. Then you would probably have the closest map to tiberian dawn.

nice work man.

What he said.
