sry double post... but i'm posting the problem, and bumping at same time....

[bhs.dll] Failed to load, error 998. Invalid access to memory location.

[bhs.dll] Failed to load, error 998. Invalid access to memory location.

[d3d8.dll] Module not found, unable to continue.

[shaders.dll] Module not found, unable to continue.

[d3d8.dll] Module not found, unable to continue.

[bhs.dll] Failed to load, error 998. Invalid access to memory location.

that's the dllload text thing, i'm guessing it says why it won't load, i have those 4 files in my ren folder, i don't know why there not being found...
