Edit:

Them logitec headphones that gozy has really hurt my ears when I put them on, (My brother use to have them) I really wouldn't recommend those.

Strange, they don't hurt my ears at all and I'm wearing glasses. They're actually very comfortable and keep my ears nicely fresh.

About them feeling cheap, I don't have a clue where u got that from :-S. Maybe a cheap model?

I guess it's all personal preference .
