To talk like his son like that, like it's not a big deal or that he's making it up. Your a fucking disgrace to even use sarcasm in the terms you did.

"son"

Pfft,troop, you don't know the first thing about being a parent.

I have a son coming in three months, and Seeing that post you made, was absolutely disgusting.

You don't know what it's like being a full-time dad, nor do you even have the capability of it.

You are more worried about playing fucking renegade, calling people shit, cheaters, and other shit, that you can can't see two feet in front of your face, and find out who FUCKING RUDE YOU ARE.

Since I didnt see rh4p3 say anything in regards to this, I had to.

Once you have a kid troop, you'll know.

Until you have a kid, fuck off on others.

Don't even play on like you have a girlfriend, we all know you sit there and play with your hand, named palmala.

I dont get to worked up over anything troop says. hes pretty much a total moron, so to take anythinghe says perosnally would be pretty stupid really.
