No I didnt you dumbshit. Five bucks says that just some idiot prick who decided to make a new account.

Come on , it's not hard to make a name like that.

Seriously though, you have to admit, thats pretty hilarious.

And troop, get your facts straight-

Off the escarpment (known as the "core" of hamilton)

Is the shittiest place to live in. It's old, (over 150 in most places) Smelly due to smog/lake ontario being a shit hole.

But once you get on that escarpment, where I live, Youll see on google-eart or whatever the hell you use, that you can see how much better/organised, the houses are way newer, the city itself, troop, if you didnt know, Is moving to the "mountain".

We all know our city's a shit hole, but it's my shit hole. And I don't think that even gives you the right to mock up my city.
