Dumbass, what makes you think I'm fat? Hell, what makes you think I'm a even a lady? You presume all gamers are fat? Thanks to your myspace picture, I'm going to assume all loudmouth, asshole gamers who type in caps-lock are short, soft-shouldered, scrawny little dipshits.

And I take it you don't know English well, seeing as you are a 'rapper' ; because when you say 'I shit on everytime I saw you ingame?' , is that your way of saying "leaving half-way through the game because while you were busy Orca whoring an airstrip that was being repaired, half of NOD was laying waste to your base and teammates with a single APC rush?" Oh, that's what you meant? OK, I dig it, 'G' .

Why not just pick up a guitar instead.
