Quote: Once Electronic Arts receives the product we will exchange the game at no cost as long as the following criteria are met:

The product is within 90 days of the purchase date.

Requested Information (see below).

The product has not been scratched, broken, or has been damaged in another fashion.

The product has been determined to be incompatible with your computer by an Electronic Arts Technical Support Representative.

The product will not work on your computer because you do not meet the requirements.

A photocopy of the store receipt.

men i buyed the game at march 28 so i'm not lucky because it says 90 days
