2) I'm Surth. And you?

3) Siege is a seriously fucked up map. At least i think that.

1.Stating he is wrong without evidence that the map sucks is not contributing.

2.k

3.Your opinion I understand, but any reasons?

1) Evidence sounds so rude... :[

2) Reason? I never had a Enemy asking for Siege to play, which makes me think every clan we faced yet doesnt like that map.
