The screenshot shows a web browser window titled "Renegade". The main content area displays "Advanced Listings" in large, glowing yellow text. Below the title, there are several status indicators: "Connected To: USA Server", "Login: thrash300", and "Speed: Lan/T1 bps". A table with the following headers is visible: "Icon", "Host Name Δ", "Game Name", "Game Map", "Players", and "Speed". The table is currently empty. A large, detailed game map is overlaid on the right side of the table. At the bottom of the interface, there are five buttons: "Back", "Page Buddy", "Refresh", "Host a Game", and "Join Game".
