AoBfrost wrote on Sat, 01 September 2007 07:00i dont need biatch when our server has a self made anti cheat that detects everything like biatch, big head, dmg, pt distance, building health, the usual haxz0rs.

I think this topic isn't about your server or what it is running, therefore noone is interested in it.

I want to thank Stealtheye, Ghostshaw and HTT-Bird, they are doing a great job with developing biatch. They are spending much time on thinking about new ways to block cheats serverside

Also thanks to renguard that reduced the amount of cheaters for a long time.
