Ya I wanna join .H2O! I will super pwnage with Orca...I shoot everywhere and find sneaky stanks. I will defend your base like devil himself and kill the enemy harvy EVERYTIME so they go bankrupt. I also never let enemy rush get to your base...I kill their APC rushes and slaughter the engi's and Techs in front of their families on Nod TV.

Thanks for considering my application.
dude u no this hole thing is a fuckin joke right
Lmao this thread is serious business.
