I must admit it's quite funny watching mikey accusing someone else of "losing it". He lost one clanwar two months ago and he's still furious.

By the way, mikey:

Now there's a challenge. In fact, I pose it to everybody.

If you can, if you can prove you're all calm instead of ripping your hair out in renerage (as clearly is the case), I'll unban some people. How about that?
Sound fair?
