Jimbo27 wrote on Wed, 05 September 2007 19:56 You lasted 30 minutes after posting that "offer" before you realized you shouldnt have banned them and you unbanned simpee. I simply said thanks for admitting you were wrong.

That's not why I unbanned him. It was a simple case of being the better man. That and the fact I didn't want a suicide on my conscience, which did kinda seem where you were headed...

Could you even correctly answer the question of why Simpee was banned, without looking it up? I doubt it.
