I don't know WTF is going on over there though, so I'm not taking sides. I don't know why it had to be brought over here anyway.

Funny how that works isn't it?

Funniest part about that was it was Spooky who you had to ban. I guess he's in your position now.

maybe I'm not remembering properly. if so, you're absolutely right. I must not be too bright
