Does anyone remember that IKEA ad? The Scandinavian bloke, sitting looking all serious, says "I have a message for those of you who bought one of our something-or-others for £400." he's holding a price tag saying £400.

then he throws it away and there's a price tag saying £200 and he starts laughing hysterically and pointing at the camera. Then it pans back a bit and there are loads of women laughing at the camera too.
